

# NEW HOPE-SOLEBURY SCHOOL DISTRICT

## Mission Statement

*The New Hope-Solebury School District takes pride in its commitment to excellence. We strive to inspire and empower our students to become passionate, confident, life-long learners, with the skills and strength of character to contribute to a diverse and ever-changing world.*

November 5, 2009

Dear Parents/Guardians:

Attached please find a letter from Dr. David Damsker, Director of the Bucks County Department of Health, indicating that the H1N1 flu vaccine will be administered to our New Hope -Solebury students and the St. Martin of Tours students on **Wednesday, November 11, 2009**. This is scheduled to take place in the middle school gymnasium between the hours of 2:00-6:00 PM for students who have submitted signed consent forms. The department of health has requested to start with the high school students beginning promptly at 2:00 PM. **The high school students will not need to be accompanied by an adult. However, all K-8 students must have a parent or adult to accompany them.**

Since there are over 150 high school students to be vaccinated, we are requesting that parents of middle school students arrive with their children after middle school dismissal, and that elementary school students arrive after their dismissal. There is no reason to remove your child from school early on this day.

We have provided data from your signed consent forms to the department of health so that they will be bringing an adequate supply of vaccine. If you have not sent in a consent form and wish to have your child vaccinated, please do so by Monday, November 9<sup>th</sup> so that we can update our numbers for the providers.

Parents will be requested to park in the east parking lot and enter the building through the theater entrance. Signs will be posted to direct you to the vaccination site and throughout the process. Thank you in advance for your cooperation in making this day a success for our children.

Sincerely,

David S. Lieberman
