

*August 31, 2010*

*Dear High School Students and Parents,*

*Welcome back to the 2010-2011 school year!*

*We are carefully working through final challenges in our high school schedule in an attempt to resolve them before our students return tomorrow. In addition, we are aware that students and parents are waiting for responses.*

*The purpose of this message is to assure you that, if all schedule problems and concerns are not resolved today, students will be able to schedule an appointment with our guidance department. Students will be instructed to request guidance appointments in homeroom on Thursday and Friday, which will be processed by Ms. Maria Paolini @ extension 1151 or [mpaolini@nhsd.org](mailto:mpaolini@nhsd.org) in the guidance office, to achieve resolution over these first few days of school.*

*In the meantime, we appreciate your patience while students follow the schedules in their possession.*

*Sincerely,*

*Dr. Stephen B. Young, Principal  
David Lieberman, Director of Special Education/Pupil Services  
Dr. Jon Cosse, K-12 Guidance Consultant*
