

Is your child struggling with learning differences? Does your child have an IEP or IFSP in New Hope- Solebury?

NHS-SEPAC is a local group of dedicated parents of special needs children in the New Hope-Solebury School district. We support parents of children with physical, emotional, and/or learning differences within our community through meetings, hosting guest speakers, providing informational updates, etc.

NHS-SEPAC MISSION STATEMENT

To work in harmonious partnership with the NHS School District to support students who have physical, emotional, and/or learning differences in an effort to:

- enhance knowledge & understanding of special education and student needs
- improve education and mandate the use of educational best practices district-wide
- ensure the compassionate treatment and safety of children with differences
- offer parents and caregivers educational, emotional and practical support

Contact NHS Special Education Parents Advisory Council
for meeting dates and events.
