

Dear Parents, Guardians, and Staff,

Following up on our school days off due to weather, I have been receiving questions about make up days. Had there been no weather days to make up, our calendar called for the following:

- Friday, March 26 - Professional Development Day/Student Holiday
- Monday through Wednesday, March 29 through 31 - Emergency make up days or Holidays if not needed for make-up days
- Thursday and Friday, April 1 and 2 - Spring Break Holiday

Therefore, as we have two student/teacher days to make up, one teacher/professional development day to make up, and in an effort to maximize the Spring Break Holiday for everyone, I plan to make the following recommendation to the School Board at the March 15 public School Board meeting. **Pending Board approval:**

- Friday and Monday, March 26 and 29 - Student/teacher make up days
- Tuesday and Wednesday, March 30 and 31 - Teacher/professional development days/Student Holidays
- Thursday and Friday, April 1 and 2 - Spring Break Holiday

**Of course, my recommendation above is based on the hope we will have no more emergency days to make up. If there would be another emergency day, we would need to re-evaluate the calendar and make up needs at that time.**

I truly appreciate your patience and understanding as we navigate through this challenging winter and I am sure you join me in looking forward to Spring. In the meantime, please do not hesitate to contact me if you have any questions.

Sincerely,

Raymond J. Boccuti, Ed.D.
