Dear Parents/Guardians,

**Homework Club is offered after school on Tuesday, Wednesday and Thursday from 2:30 – 4:30.** Your child may be interested in signing up for this opportunity to complete work in the Library after school. **If your child wishes to use the Library to complete assignments, please fill out the form and send in to the Main Office and indicate the days your child will attend. Students without a permission form filled out and on file will not be able to attend.**

It is important for the school to have an accounting of all student whereabouts and coordinate this effort with home. This is to ensure safety and security.

Homework Club will begin the Tuesday of 9/20/11 and will continue for the remainder of the school year.

**EXPECTATIONS:**

- HWC is for students to work on assignments – it is not a place for social networking, or socializing in general.
- Students can complete group assignments and work cooperatively if need be.
- Students are to follow technology acceptable use policy.
- Students are under the care of the HWC supervisor and are to follow typical school rules. Passes to go to bathroom, etc.
- Parent Pick-up is a must by 4:30. (Unless the child is a walker and parent has given permission).

If you have questions, please call your child’s guidance counselor. Thank you

Sincerely,

Charles Malone, Principal
