

Online Handbook Inclusions:

Dear Parents/Guardians,

We are providing you with an online version of the Parent/Student Handbook for 2008-2009. Please know that there are some additional components that have been included in the handbook that you should review:

From the district policy manual, we have also included the policies below:

Policy 204:	Attendance
Policy 204.1:	Family Educational Trips
Policy 218.1:	Weapons
Policy 218.2:	Terroristic Threats/Acts
Policy 222:	Tobacco Use
Policy 227:	Controlled Substances/Paraphernalia and Attachment
Policy 248:	Harassment

The inclusion of these policies is to insure that all are aware of the district policies from which our administrative guidelines develop. We strive to make our responses developmentally appropriate, and we also work to educate students about the positive behaviors that will naturally result in appropriate behavior.

Please check the district homepage under parent resources to access those documents.

We have also included the Media Release Form, Code of Conduct, and Acceptable Use Guidelines Forms which are available as links on this page.

Don't hesitate to contact us if you have any questions or concerns

Sincerely,

Joyce A. Mundy  
Principal
