

## New Hope-Solebury Upper Elementary Student Report

Hi, I'm I am Caroline Donado and I'm Krupa Shah. We're from the Upper Elementary School, are in Mrs. Dingas's 5th grade class, and are members of Student Council.

On March 2nd, the fourth grade had their annual Invention Convention. It was a huge success! One student even made a GPS to track your bus so you are not late.

The 5th grade Reading Olympiads are gearing up for the annual Reading Olympics Competition on March 27.

The UES participated in the "Jump Rope for Heart," fundraiser which is a program that raises money for children who have heart problems. So far, the UES has raised a whopping \$17,800.

The students also had a funtastic Read Across America week last week. We learned all about Dr. Suess, read many of his books, and celebrated his birthday last Friday by curling up with a good book and wearing yellow and orange, just like the Lorax.

The UES will have a Spring production of 101 Dalmatians. The tryouts were last Tuesday.

Last month, the Student Council participated in a community outreach program called Teens for Jeans, through dosomething.org, which supports the many teens who are homeless in our country. We were able to collect 85 pairs of jeans, and donated them to the program through Aeropostale.

Our next Student Council initiative is Pennies for Patients. The funds, collected during a three-week period, benefit The Leukemia & Lymphoma Society.

Also, the annual Art Show will be held on March 15th from 5:30-7:30 with special performances form Ms. VanPragg and the Naturals

Thank you for your continued support. We will see you next month!
