

Art Club Description

The Art Club is run by Mr. Mannion and is open to all students in grades 3-5. Students will get to work with a variety of different mediums. Some of the projects will be a group work and others will be individual work. It is a great club for students looking to get an extra art experience!

It meets in the morning before school starts from 8:00am and goes until 8:45. Students are typically broken up into four different groups that meet every other week.
