

Dear Parents and Guardians:

New Hope-Solebury School District's Food Service Department provides parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. This service also provides parents the ability to view your child's account balance through a web site called MyNutrikids.com. By having money in each child's account prior to entering the cafeteria, we find the lunch lines move along much faster so your child has more time to eat and be with friends.

Also, parents will have the ability to print out a copy of their child's eating history report. This history report will show you all dates and times that your child has purchased a lunch within the past thirty days.

To access these services:

1. Simply go to the district web site at [www.nhsd.org](http://www.nhsd.org).
2. Click on the Parent/Student Resources section.
3. Click on the MyNutrikids.com link. From this site you will create your account and add money to your child's school meal account. All you need is your child's name, student ID number and school ZIP code. The instructions listed on the back of this page will guide you through the easy online account set up process.

Things to know:

- If you have more than one child in the District you can handle all online prepayments from the same online account.
- Payments may be made through an existing PayPal account or with a major credit or debit card.
- In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is \$1.75 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$1.75 fee once per deposit transaction. The District will not profit from the use of this site.

. However, if you choose not to take advantage of the online prepayment service you may continue to make advance payments via check, which should be made payable to the **New Hope-Solebury School Cafeteria Fund**. Please write your **child's full name** on the check.

**VERY IMPORTANT - if you do not want your student(s) to have access to the system, please contact me and their PIN will be disabled.**

If you have any questions about these new services, please feel free to contact me via e-mail at [jdixon@nhsd.org](mailto:jdixon@nhsd.org).

Sincerely,

John Dixon  
Food Service Director
