

New Hope-Solebury School District **College and Career Pathways**

Our Community Counts

Partnerships with our business community offer relevant, personalized, **real-world learning experiences** for our **students** and foster career and college readiness. New Hope-Solebury School District will engage with committed volunteers to provide a distinctive series of career exploration opportunities for students grades 6-12.

Partner with Us

Informational Interviews

Enable a student to interview you about your educational and career experiences.

Job-Shadowing

Enable a student to shadow a work day and to understand day-to-day responsibilities.

Mock Interviews

Conduct mock college and career interviews with high school juniors and seniors.

Career Fairs

Host a table and discuss your career with students during a District career expo.

Guest Speakers

Host a virtual or in-person presentation about your educational and career experiences.

Internships

Provide a short-term or summer internship opportunity for a student within your workplace.

Career Advisory Council

Lend expertise to our Career Advisory Council and help guide our work to support career readiness.
