### Notes:

Essential courses are offered to provide students with added support in prerequisite concepts and skills.

Foundations courses are standards-based courses adjusted to give students greater support on core concepts and provide additional practice and review.

The World Languages courses require a headset and microphone that are compatible with the computer being used for the course.

Courses listed as A or B can be taken individually as a semester course or together as a year-long course.

Course ():

Courses with (M) are Credit Recovery and are mobile friendly.

Courses with (U) are available as individual units.

Courses with (E) are available from our partnership with eDynamics

Courses with (AAI) are provided by Advanced Academics.

All courses available with a Pearson Online & Blended Learning (OBL) teacher unless otherwise indicated. State-specific certification will vary.

OBL teachers not available for credit recovery courses.
