**New Business**

- Mrs. Keyes gave an overview of the agenda for the night and asked for the committee to review the minutes from 6/9/16. The minutes were approved with a minor format edit.
- Mr. Malone gave an overview of Curriculum, Instruction, Assessment and Professional Development for the 2016-17 SY.
  - Discussion ensued around data, curriculum coverage, and teaching practices.
- Mr. Radaszkiewicz gave an overview of technology from where we have been to the new upgrades that will enhance the learning environment and beyond.
  - Question raised about on-line offerings in regards to where they are happening and most appropriate developmentally.
  - Question raised about filtering and internet safety. Mr. Radaszkiewicz explained that the district's filter is state of the art and insures a safe environment. However, nothing is 100% and digital education is more

of a preventative nature and we need to continue educating parents and students.

- Mr. Silver gave an overview of how the LES uses Professional Learning Communities.
  - Promotes collaboration, professionalism and a student centered environment at the LES.
- Ed Fund update from most recent event raised over \$11,000! Money from the Ed Fund directly benefits NHSD students via teacher grants.
- Next CAC meeting 11/3/16
