

The New Hope Solebury School District in Partnership with Network of Victims Assistance (NOVA)

Parent Training Session on *Safety Matters*

This is a practice informed safety prevention program for children with developmental disabilities (ages 7-18). *Safety Matters* teaches boundaries, safe and unsafe touches or requests, appropriate non-compliance, private and public places, and how to seek help if needed. This program includes social stories, video, classroom activities, and small group instruction.

Date, Time and Location: This will be part of the SEC meeting

December 13, 2016

6:30-7:30pm

Upper Elementary School Library

186 W. Bridge Street, New Hope-Solebury School District
