All Students through a World-Class Education**

**New Hope-Solebury School District is proud to announce
we have been recognized as one of the 2019 Best
Communities for Music Education by NAMM.**

The National Association of Music Merchants(NAMM) Foundation established the Best Communities for Music Education Award program to celebrate and recognize innovative and resourceful music education programs in the United States and those schools and communities that support them. This is a very prestigious award in that it recognizes music programs and communities which sustain comprehensive and valuable music programs which transcend the walls of the school and are a part of the fabric of the school community.

Congratulations to our music team on this accomplishment which is comprised of Mr. Bateman, Mr. Bachart, Mr. Wehr, Ms. Van Praag and Mr. Sasala. This is the fifth year in a row that New Hope-Solebury has earned this award. This award speaks volumes for the work they are doing in promoting music throughout our school district community.
