

EARLY DISMISSAL APPLICATION

Early dismissal is a privilege extended only to **junior and senior** students with good attendance and are in excellent disciplinary and academic standing. **These privileges are offered as a courtesy to students. Administration may revoke the privilege at any time for failing to uphold the established guidelines or experience a decline in attendance, discipline or academics.**

Early Dismissal Guidelines:

- ✓ Only assigned study halls can be replaced by early dismissal. No schedule changes will be made to accommodate early dismissals.
- ✓ Students may leave directly at the end of 3rd block. There is no need to sign out in the office.
- ✓ If you need to remain on campus past your last assigned class to work with a classroom teacher, you must report directly to that teacher.
- ✓ Students may not stay on campus during the early dismissal without being properly supervised by a staff member.

Place a check next to the study hall period(s) to indicate which ones will be replaced by early dismissal.
