The PTG has been very busy this school year! We started off the year with our annual Fall Fundraiser, with some amazing products from Boon Supply. These products (especially the bags) were a big hit with everyone!

Participants of our Fall Product Fundraiser who sold 5 or more items were treated an ice cream party with raffle prizes, a Deal or No Deal game and a Mr. Bacon race. A lot of fun was had by all of the attendees!

The PTG in conjunction with Student Council collected 82 pounds of Halloween candy, which was donated to Operation Gratitude. Thank you to all of our students (and parents) who donated their candy to the troops!

Harlem Wizards take on NHS Lions Pride!

On Thursday November 7th, the PTG brought the Harlem Wizards to New Hope-Solebury for the first time ever! The event was so popular that it sold out in less than 3 weeks. The Broadway Unit played our home team consisting of teachers and Principals from the LES, UES and MS. Teachers and staff from all 4 schools helped out at the event as well. Everyone had a great time and we were so humbled by the support from our school community for this event. A special thanks to Dr. Lentz, Erik Pedersen, Kris Foulke and the operations team at the HS who made this night possible.

It's Not Too Late!

If you've been meaning to donate to the PTG's efforts, there's still time and any amount will be greatly appreciated. You can send in a check to the school office payable to the "NHS MS PTG" or donate online by following this link:

Although the kids are getting more independent and appear to need less parent involvement in school activities, there are still plenty of ways for you to play a role in the school community. Click on the link: forms.gle/BvizU6XVPMjuf5oaA to volunteer for events such as:

- Staff Appreciation Lunch
- Volunteering in school for various activities including the 6th Grade Hunger Games
- Planning the 8th Grade Promotion Party

PTG UPDATES

Some of the funds raised by the PTG have already helped support the 7th grade Renaissance Faire trip. As we look to finishing the second half of the school year, the PTG looks forward to supporting our students and staff with the annual Day of Giving, class trips and grade level projects including the 8th grade promotion and 6th grade Hunger Games.

We are in need of PTG board members for the 2020/21 school year (as well as future school years). Please contact the PTG at nhsmsptg@gmail.com with questions or interest. Elections will be held in the spring of 2020. There is a very strong possibility that the PTG will not be able to continue helping our students and staff in the coming school years without more involvement from our parents!
