Don't forget to order your 2020-2021 New Hope-Solebury High School Yearbook

This yearbook will be like no other!
Starting the year virtually, moving to a hybrid model, new guidelines for sports, school, socializing, events and daily life are all being captured by our amazing team that is committed to capturing every moment of the school year.

The book this year will be published after the end of the school year and will include everything up to and including Graduation.

In order to receive your book prior to returning to school we have arranged with the publisher an option for you to select to have your yearbook mailed to your home address for a nominal charge. This way you will have it to treasure as soon as it is printed and before the end of summer vacation.

Don't miss out on this once in a lifetime opportunity to own your own piece of history. Purchase your book today for \$95. Simply go to www.yearbookforever.com, enter in our full school name (New Hope-Solebury High School) and follow the prompts.

A summary of purchases made within the last two years will be sent to that address." and a "Submit" button. The right column is titled "Questions about the products sold here?" and includes a sub-heading "Contact your school with questions about pricing, dates, product availability or the delivery of your order." and a "Visit the help center" button.
