

Nutritious Party Foods

New Hope-Solebury School District is now offering nutritious party food packages for you to purchase. In addition to fruits and vegetables, we are also offering whole grain snack alternatives. These are great options for any classroom celebrations like birthdays or student recognitions. This program was developed as a result of the District's Wellness Policy, which encourages healthier food choices at school. All snack items come fully packaged with complete ingredient lists available to any parents that have allergy concerns.
