

# Overcharge Procedure

If your child forgets to bring money, they will receive the full reimbursable meal of their choice until they reach a debt of \$10.00. Once they reach this debt, they will receive an alternative reimbursable meal which will consist of a bologna sandwich on whole wheat bread, a fruit, a vegetable and a milk. This will be charged to the students' account. Students are not permitted to buy any snacks or a la carte items until their debt is paid.

No child will be refused a meal at New Hope-Solebury School District! However if you would like your child to be able to choose from all the wonderful menu options the cafeteria offers, please make sure to replenish cafeteria funds accordingly.
