NEW HOPE-SOLEBURY HIGH SCHOOL RECEIVES TOP RANKING

New Hope, PA—The New Hope-Solebury School District is pleased to announce that our High School has been ranked #2 by US News and World Report. This is the second consecutive year that our High School has received this top ranking.

Superintendent Dr. Steven Yannì said, "Our ranking is clear evidence of our commitment to our students—all students—and the work being done in our schools to ensure that every child realizes success. Over the last few years we have seen our ranking improve from #11, to #7, to #3, and we have been ranked #2 for the second consecutive year. This is an honor for our students, staff, district, and community. We are NHSSD PROUD!"

The US News and World Report rankings are based upon multiple criteria including, but not limited to, performance on state assessments, college and career readiness, and course offerings afforded to students. With a focus on strong academics supported by robust co-curricular and extra-curricular activities, the New Hope Solebury High School provides a comprehensive education for our students.
